McCauley - Montschak Wedding

—Photo by courtesy of Barry M. Sutton, 397 6017

An accident earlier in the week did not stop the marriage on Saturday of Mr. Eric McCauley and Miss Annette Montschak who has her right leg incased in plaster from thigh to ankle to protect torn ligaments in her knee.

Discarding her crutches, the bride went up the aisle of Holy Trinity Church, Williamstown, supported by her father on one side and her future brother-in-law Mr. Stan Jeffrey on the other.

After the ceremony conducted by the Rev. John Lawley, of Altona, she slowly moved out of the church on the arm of her husband.

The bride is the only daughter of Mr. and Mrs. T. Montschak, of Caulfield, and the groom is the younger son of Mrs. A. McCauley, of Davies Street, Altona, and the late Mr. E. McCauley.

A gown of nylon georgette in Empire line with long Cleopatra sleeves was worn by the bride. Gold edging outlined the sleeves and under the bust line and she wore gold slippers.

Her elbow length veil was held in place by a pearl coronet and she carried a bouquet of roses and carnations.

Bridesmaid, Harriet Bennett, wore a red knee-length frock. It had a double layered skirt of finely pleated nylon georgette and an Italian embroidered bodice. She wore a Juliet cap of red rosebuds and carried a bouquet of red carnations and rosebuds.

Best man was Mr. Alf Peel.

A reception for 70 guests was held at the home of the groom's mother.

SIGNS DO NOT CONFORM

Traffic "Stop" signs at three intersections in Altona do not conform with the Traffic Commission requirements, the Council heard last Tuesday.

A letter had been received from the Traffic Commission warrants—probably those installed prior to 1958 without an investigation as to compliance with warrant conditions.

This review is an essential preliminary before the Commission asks the Chief Commissioner for Police for increased enforcement of obedience to "Stop" signs for safety reasons.

The Engineer, Mr. R. Simmons, reported that signs at Seves Street at Blyth Street, Bayview Street at Blyth Street and Mount Street at Blyth Street did not meet the Commission's requirements.

The matter was left in the hands of the Engineer.

RED PHONE NOT ENOUGH

A red telephone, installed in a milk bar on the corner of James and Noordenne Aves., Altona, is thought by the Post Master General to alleviate the need for a public telephone in the area.

Cr. W. Sommers told the Council last Tuesday that in his reply to the Council's request for a public telephone box in Millers Rd. on the Bayside Estate, the Post Master General pointed out that public telephones in Altona were subject to a high degree of vandalism.

The red phone in the milk bar would afford residents a vandal free service. He added that the matter would be kept under review.

Cr. Sommers said he did not think the red phone was adequate. There were many

Through Road or Rail Extension?

A petition, containing 27 signatures, has been received by Altona Council pressing for the railway extension to Westona.

They ask for a plebiscite to ascertain wishes of residents.

Signed mainly by residents in Belmar Avenue, Harrington Square, Karingal Street and Civic Parade the petition notes the efforts made by the Council and local members for the extension since 1965.

The residents agree with the comments made by the Altona Chamber of Commerce that a road crossing at Grieve Highway is not warranted, though a pedestrian crossing of some type is a must.

"We honestly think that the extension as at present planned with grade separa-

tion will never be built," says the petition. "It all hinges on the one question, do we want Grieve Highway as a through road or do we want the railway extended?"

The petitioners suggested that the Council consider this question and that some type of survey be taken of all residents who would be served by the extension.

Cr. W. L. Crofts agreed with the petitioners that something should be done and moved that the Council write to the Minister with a view to pressing the claims for the extension.

A letter had been received by the Council from the Minister of Transport pointing out that the extension was authorised in 1965 but sufficient loan funds to enable the work to be carried out had not been available since then.

"The Commissioners have expressed the view that it is most unlikely that work on extending the line to Westona could be undertaken unless money in addition to the normal railway loan allocation is provided for the specific purpose of building this line," said the Minister.

The Council carried Cr. Crofts' motion to write again to the Minister pressing for the extension.

New Toilet Block

Hon. A. W. Knight, MLC, has been informed by the Public Works Department that the walls of the Newport West Primary School's toilet block are weakened and could be a hazard to children.

It is anticipated that the toilet block will be replaced during this school year.

SILT FOR CAR PARK

The Public Works Department are to be asked to let Altona Council use silt from excavations of a channel at the boat ramp in Cresser Street for filling in a proposed new car park.

An officer of the Ports and Harbours Branch of the Department had advised the Council that tenders would be advertised for excavating a channel from the ramp and placing the silt on the foreshore, north from the Working Men's Club.

Cr. W. L. Crofts said at the Council meeting last Tuesday that they had planned a car park between the Yacht Club and the Red Hut, and this was an opportunity for receiving cheap filling.

He moved that the Department be requested to dump the silt on the foreshore in the vicinity of the boat ramp for the purpose of filling in the car park.

POLLUTION IN ALTONA

The work of Altona Council in controlling air and liquid pollution was outlined at the Council meeting last Tuesday by Cr. D. K. Grant.

He pointed out the complaints of pollution received by the Medical Officer of Health. These included briquette dust, odours and smoke in Altona West, oily deposits on cars in Altona West and black deposits and meat works odours in Altona.

All the industries and companies concerned with the pollution had been notified of the complaints.

Cr. Grant said it was essential that people should

notify the Council of any complaints of pollution.

"We have got the potential for gross pollution—the briquette dump, abattoirs, petrochemical works—you name it, we have got it. I do not think we do too badly, but there is no room for complacency," he said.

He paid respect to the work done by the executive officers of the Council and the Health Inspector's personnel for the work they were doing in trying to control pollution in the City.

TRAFFIC LIGHTS

Despite the fact that all traffic signals in Altona are serviced each quarter, the lights, particularly at the intersections of Millers and Blackshaws Rds., and Millers and Kororoit Creek Rds., frequently do not function properly.

Until now the traffic signals have been maintained by Eagle Signal Co., the only firm until recently that supplied and maintained the signals.

The Council has now received an offer from Amalgamated Wireless (Aust.) Ltd. to maintain the signals for a trial period of three months at a cost of \$195, slightly less than the amount charged by Eagle Signal Co.

This offer will be accepted and the matter will be reviewed by the Council at the end of the servicing period.

Little Athletics Medalists

Cr. Les Crofts stands beside the Girls' Under 10 70 Metre champions in the Altona Little Athletics. The three girls who were presented with medals by Cr. Crofts are: 1st, J. Ryan (Altona North); 2nd, C. Golacki (Seaholme); 3rd, C. Bentley (Altona North). See full report, page 13.

Lions Club Initiative

Altona Lions Club have taken a leading part in a scheme for assistance to orphan children in West Irian. As a result of a plan voiced by a member of Altona Lions, Mr. Len Rowe, funds are now coming in from various clubs in the Lions district. This was stated by the governor of Lions District 201F, Mr. John Niewand (pictured) at a dinner last week on the occasion of his annual visit to Altona.

Mr. JOHN NIEWAND

"For \$15 we can completely feed and educate a war orphan child for one year," said Mr. Niewand.

"This scheme, which was introduced by Mr. Len Rowe, of Altona, international relations chairman of the district, now has funds coming in from clubs in the district. A special fund has been established and the objective is to have 100 per cent. support from the 48 clubs.

"The money will be passed on to the newly-formed Lions' club of Jakarta, who will supervise distribution.

"President Suharto made a personal donation to this appeal."

Mr. Niewand said that by giving aid to the weak and sympathy to the suffering, Lions could help give relief to victims of strife throughout the World.

Mr. Niewand, whose home club is at Minyip in the Wimmera, said that during his term as district

governor he had moved about among some Lions who were giving great service.

"They are people who must be very busy in their work, yet find time to work for Lions and for other people," he said.

He added that Melbourne had a good chance of being chosen as venue for the Lions' international Convention in 1975.

"It would mean some 65,000 visitors and considerable boost to the economy — they estimate \$1 million a day would be spent," he said.

"Fifteen thousand would need to be accommodated in one venue — the Exhibition Buildings."

The president of Altona Lions Club, Mr. Noel Wood, had welcomed the district governor and the president of Footscray Lions Club, Mr. Fred Matthews, and their wives.

THE CURTAIN RISES

The Williamstown Little Theatre has gathered an interesting group of people together in "Black Comedy and White Liars" opening at the theatre 2-4 Albert Street on Wednesday, February 25 to March 7.

Christine Bambery who works in the library of the Footscray Technical School, has only had small parts at the theatre while she has been studying. But being her mother's daughter and steeped in the theatre tradition we expect to see a great deal more of her in the future.

Bob Harsley will be remembered for his notable performance as the young man in "Taste of Honey" at Williamstown. Recently Bob has been playing with Festival Theatre Company in "How to Succeed in Business" and his "J. Pierpont Finch was highly praised by the critics. He won the "Negro Spiritual" Section at South Street and is due to appear on National New Faces in a few weeks time.

Gwladys Winfield is well known to audiences in Williamstown and Altona. We have missed her at Albert Street because she has been busy with Altona Drama Group which she founded. This group has been very active and organised the

first School Drama Festival in the district.

Mary Little needs no introduction to Williamstown audiences. She has played in many productions from the earliest days at the Mechanic's Institute and she has helped front-of-house on many occasions. Mary's husband, Ron, is currently directing the Children's Theatre. So, although they live in Strathmore, they spend a great deal of time in Williamstown.

Carolyn Bielle is new to our group but not to the theatre. She began her training as a dancer when she was five and had twelve years of training. She has danced with "Sunny-Side-Up", "I.M.T." and many other well known T.V. shows. After a serious accident she was unable to continue dancing and ill and depressed she felt that all her hopes had been dashed. The persuasion of personal friends has encouraged her to begin again in a different field of theatre. She is finding the experience stimulating and exciting.

Steven Moore is a country boy and like all country theatre enthusiasts he has taken part in Drama Festivals. He was named the best actor in Goulburn Valley Regional Festival. Steven, whose home town is Euroa, is interested in water skiing and horse-back riding.

Nicholas Serpell, also making his first appearance at Williamstown came from the U.K. four years ago. He had several years experience with "the Tamaritans", an amateur theatre group in Plymouth. Since his arrival in Australia, he has played with Viaduct and at Heidelberg. He is employed in a stock broker's office and finds that while the market is booming, he has little time for the enjoyment of the arts, other than the theatre.

Tickets for this interesting production are now on sale at E. S. Marr's Music shop at \$1.00 for adults, 50 cents for children. Please book early as good tickets are available early in each week.

A.L.P. CANDIDATE FOR W'TOWN COUNCIL

An enthusiastic meeting of supporters of Mr. Eddie Smith, A.L.P. candidate for the extraordinary election for the North Ward to be held on March 7, next, took place last week.

It comprised a representative gathering of North Ward ratepayers. Cr. Ron Dawes and Cr. Leo Hoffmann are President and Secretary respectively of the Committee.

Eddie Smith has a good background of community activity which committee members feel make him a good candidate and will have undoubtedly have made him widely known by ratepayers of the North Ward.

He is a Justice of the Peace, Secretary of the Ex Naval Men's Association and a lecturer at the Royal Melbourne Institute of Technology. All of these positions help to give him the vital experience necessary to serve as a Councillor.

Eddie Smith will endeavour to call on as many ratepayers as possible in the days before March 7 and if any ratepayer or organisation have any matter they would like to discuss please ring 391-1922.

Members feel that Eddie has energy and ability coupled with a pleasant personality which will enable ratepayers to work for him with confidence.

A pleasing feature of the campaign is the assistance forthcoming from individual members of various organisations with which Eddie Smith is associated.

Authorised by Cr. R. Daws, 43 Home Rd., Newport.

Sanitary Problems

The Health Inspector reported to Altona City Council last Tuesday concern at the manner in which the sanitary services contract is being carried out.

He said there were two main problems, the alteration of clearance days without warning, and the non-clearing of contractors' services, particularly at PRA and APC where large numbers of workers are employed.

It was resolved that the contractor be advised of the high incidence of complaints being received and of the Council's concern. Further, that the Council has already interviewed him regarding complaints and received an assurance that the service would be improved. The assurance has not been carried out and unless an immediate improvement is effected the Council will have no option but to consider terminating the contract.

CHAMPIONS OF THE CUE

An exhibition of billiards and snooker was given at the Altona Working Men's Club last Thursday evening. An ex world champion Tom Cleary (right) showed members the finer points of the game including some excellent trick shots. Bob McLash (centre) Victorian Snooker Champion and Arthur Cuff (left) ex Victorian Snooker Champion demonstrated the finer arts of the game of snooker.

Costley being re-elected President (Sunbury Branch), Mr. Reg McKean, Secretary (Werribee Branch), and Mr. J. Jamieson, Campaign Director (Sunbury Branch) to conduct Labor campaign for the electorate.

Mr. Jamieson said: "Present indications are that Gisborne will become a Labor seat after the election — there is a definite swing to Labor — the campaign committee will wage a strong campaign to win it — our candidate will be announced early in March."

"CHEERY" LAKE

Dear Sir,

I would like to congratulate and thank "Spinnaker" for his article on the Cheery Lake spree. Why this was not given the front page, I cannot understand.

Not for years have I read anything that compared with the old community spirit of the old Altona. It seems it was one of those happy occasions when laughter was the order of the day, and God knows how much this world needs to be able to laugh.

I was not fortunate enough to see it but "Spinnaker's" description was a gem and I could see in my mind's eye the whole scene and had a good laugh with them.

I look forward to the picture he has painted of the future of the lake and wish the Yacht Club the very best of winds in the future.

If I may I would like to add a little about the beach and seaweed problem.

Because it occurs on the area of the foreshore which was once our bathing beach, does not mean the smell of decaying seaweed is new to Altona.

When I was a child we used to get the smell with the change of wind on hot days to the south west.

It was greeted with the saying of Good Old Sally's Island because of the cool change.

Sally's Island was the name of the area of foreshore west of the magazine pier.

What made the seaweed shift to the present position on the beach I do not know. I have not walked along the west end of the beach for some years but even then I noticed that there was a large change in it such as the change in position of a creek from one side of the pier to the other.

But I'm sure the problem has not a simple solution as Mrs. Knell suggests in asking the City Engineer to use a glorified shovel and keep clearing it away.

But, as I see it, the citizens of Altona have to, in some way make finance

Missionary Work

SUNDAY MORNING CRECHE

Sunday School parents will know of the Parish policy regarding Sunday School while we are without a Hall, and will be aware of the existence of a creche to free parents to bring their older children to Church.

A MOST COMFORTABLE "HALL"

St. Eanswythe's Annual Meeting will this year be housed literally, i.e. it will be in a private home. Mr. and Mrs. R. Andrew, 121 Esplanade, kindly agreed to the Vestry's request that the Parish Annual meeting take place in their lounge room after the morning service next Sunday, February 22. Morning tea will be served by the Guild. Formalities will be at a minimum, and maximum time allowed for discussion of matters of general parish interest.

Work is now in full swing on the new Church and Hall being built for St. Eanswythe's by H. & L. Weaver, Master Builders. The finishing date is August 10. Services are held in the Salvation Army Hall on Sunday mornings at 9.00 a.m. until the new buildings are complete.

Unauthorised Collector

Information has been received that a person has been operating in a Western Victorian town, purporting to be a collector for an appeal for the Elderly Citizens Clubrooms.

In case it happens in this area, there are no authorised collectors for local committees and any such person in future will have a signed authority for their protection and the protection of the committee.

The Altona Club is functioning very well and there is room for many more residents of Altona to become members.

Cards, billiards and snooker, bowls and games of all kinds to interest members, concerts, dances and trips to the country or seaside are a few of the activities available. As well a good mid-day meal is available from Tuesday to Friday.

Val's Column

HELLO GIRLS,

Haven't you heard it? Haven't you said it? The cries of the porous, bleached, over-permed, split ends, broken hair, sunbleached.

"It won't hold a set" or "a perm just flops."

Because of our climate, our recreational habits usually out of doors, our hair needs protection. You will notice, firstly, swelling of hair shaft. Shredding of the hair cuticle, then the dryness, the splitting. What the hair needs now—even sooner if you are wise! Wellacure. This wonderful product provides instant life to damaged hair.

It actually penetrates the hair shaft, blending with it to end deterioration, and binds together the structure. You will find yourself continuing with further treatment because you have never had such a startling treatment to overcome that problem your hair has long time caused.

Now and again instant treatment with Wella Balsam spray now relieves the acute dryness one outdoor's day can bring (nothing quite like it to control that wig believe me!).

Presume girls, you can tell the difference from the damaged hair and the undernourished! This problem needs feeding, replacing oils, giving back that body. Wella Kolesterol "N" to the rescue.

That old problem with you again. Dandruff. You've tried everything? No you have not. Try Kolesterol "S." Linked with sulphur, this product works wonders in the treatment of itching, dandruff, excessive greasiness, and diffused loss of hair. Three to five treatments will be necessary and again in 10-15 days time. Care to disinfect brush and comb between treatments.

Altona Hospital

The discouraging and unequivocal reply by the Minister of Health, Hon. V.-Dickie, M.L.C., to Altona's case for hospital facilities in Altona North can only be accepted.

A hospital considered practical by the local Hospital Committee, and by Dr. J. Leyden for local medical representation, most desirable in its concept of the needs of local patients, was rejected outright.

The only positive statement by the Minister is rather nebulous.

There is the need for a major hospital in the Altona-Sunshine area. No funds are available.

The Altona location will depend on population trends in the next decade. The Minister spoke of a hospital in the Altona-Sunshine area (both have a site available).

Sunshine people, for what it is worth, claim they have a first priority. They certainly have the need.

Both sites, however, are rather close to Footscray Hospital. In the indefinite but probably prolonged breathing space given by the Minister's statement, the civic leaders of both Altona and Sunshine should seek an alternate site more suitable to both cities.

In the meantime, Altona is fortunate in its hospital in Sargood Street. It is a fine building in a beautiful location.

With all its limitations let us make the most of it.

GIRL GUIDES**PROPOSED EXTENSION
BRANCH**

The meeting held at the home of Mrs. Carlyon, Region Commissioner, on Monday, February 9 was well attended by interested people from Sunshine, Deer Park, Maidstone, Spotswood, Newport and Williamstown.

The Extension Branch caters for girls who are unable to take part in active units through physical disabilities to limbs, sight, hearing or difficulty in remembering.

It was also decided that an Auxiliary on a Region basis to work for this branch alone be formed. Their responsibilities will be to help raise funds for equipment and arrange transport etc., and also help the Guide leaders if necessary.

Any interested person is welcome to attend and the

IT'S THAT MINI BUS AGAIN

By Jerry Atrick

In last week's issue of this paper, I was rash enough to state that the article on the Boxing Event of Saturday 7th and the Mini Bus Fund, was the concluding article on those subjects.

I thought I'd just about covered everything; which just goes to show how wrong one can be in dealing with a generous public.

Donations since received would prove that the "Snowball Theory" still persists. Once you start the ball rolling. It also proved that if the organisers of a worthy cause are prepared to give "something for something" instead of just appealing for a hand out, the public will respond. And in this case they did.

I am informed that the Mayor Cr. R. Dawes has received on behalf of the Mini Bus Fund-Boxing Project a Cheque for \$100 from Ellis Motors. Other donations from H. Hayward of the Victoria Inn, Simmers Hardware, Mrs. Dunscombe, Mrs. Murphy, Mrs. Linsell, Mrs. Henwood, Mr. Kerss, Mr. McDougall and the North Williamstown Self Service Stores were all made direct to the project.

The Williamstown Elderly Citizens Club have every reason to say "Thank You" to the general public of this city and suburbs for a wonderful effort on its behalf. This Club will continue to try and earn the finance it needs for this and other requirements, by such projects.

As stated in last week's paper, local businesses and the general public gave a total of \$390.40 in individual donations to help pay for the expenses of the Boxing Show; hire of the ring and its transport, hire of hall, printing and advertising, purchase of the 42

Trophies and refreshments for the boxers. When these account are all paid, the balance will be transferred to the Mini Bus Fund, which now stands at \$1732.31. The organisers will have to get cracking to think up other schemes to please the public and earn the Balance.

The President will be pleased to discuss any ideas you may have to help the fund. Call in the Club and see him and meet some of the working committee, all a bit over age, but willing to do their best.

People like Mesdames Holt, Linsell Vines and Tracey who served innumerable cups of tea and sandwiches to the boxers on Saturday 7th at the Town Hall. They are the people you should get to know to find out for yourself what sort of a club is The Williamstown Elderly Citizens Club.

Your Club for some time in the future.

This paper will keep you informed of the progress of the Mini Bus Fund.

THE 65th ANNIVERSARY OF ROTARY

This month the Rotary Club of Altona will join with the nearly 14,000 Rotary clubs in 147 countries to celebrate the sixty-fifth anniversary of the founding of the worldwide service organisation.

Rotary, the first service club for business and professional men, was organised by Paul P. Harris, a Chicago lawyer from Vermont, on February 23, 1905.

As a "cure" for loneliness in the big city, he proposed his idea for a club to three other men — a coal dealer, a mining engineer and a tailor. Because subsequent meetings were held in members' offices in rotation, Harris suggested the name Rotary.

The first meeting of the Rotary Club of Chicago was held in February, 1905, and by August the club had 21 members, most of them men from small towns.

By 1912 there were 50 Rotary clubs and 5,000 Rotarians, and the movement had spread to Canada, England, Ireland and Scotland.

Today there are more than 658,000 business and professional men around the globe who wear the distinctive cogwheel emblem of Rotary International.

They are engaged in service projects at every level, from providing local youth centres to helping fellow Rotarians in India sink wells for small villages in need of pure water. Look around Altona and Williamstown and see the evidence of the work of Rotary — talk to Rotary exchange students and hear of the work of Rotary clubs in other countries.

The Rotary Foundation, to which individual members and clubs contribute, supports an extensive program of overseas scholarships and fellowships for college-age students, technicians and artisans, and a group study exchange program that enables young business and professional men to spend several months studying business and social customs in countries other than their own.

It is a pleasure to salute this most venerable of the service clubs — the first of the business and professional groups which, through their civic, national and international endeavours, help make this world a better place in which to live.

It is hoped Rotary is around for many more years to come.

Division of Scout District

Owing to the large number of Scout Groups already in existence and the increasing expansion of Altona, Laverton and Werribee, the Footscray Scout District is now being divided into two separate Districts.

Ten groups within the municipality of Footscray will remain as the Footscray District and ten groups from Altona, Williamstown and Werribee will form the new one.

Planning for the division has been taking place for some months and as from January 1, 1970, major steps in this planning have been put into operation.

Footscray will continue under District Commissioner J. Whittle with Assistant District Commissioner Mr. R. Schutt, A.D.C.C. Hill (Rovers), A.D.C. J. Faulkner (Senior Scouts), A.D.C. W. Hopkins (Training), District Scoutmaster J. Cameron and District Cubmaster Mrs. D. Nolan.

Mr. Robert Fordham is Footscray District Scout Association President with Secretary K. Edgar, Treasurer C. Davis and N. Gillespie (Warrants).

The new District, as yet unnamed, will function under

Road Lines Cause Confusion

The Traffic Officer was authorised by Altona City Council last Tuesday to use his authority in regard to traffic congestion at the intersection of Pier St. and the Esplanade, caused by painted lines.

He reported that the north and south sides of Pier St. on the east side had been painted with red lines, and across the Esplanade white lines had been painted, presumably for pedestrians.

He had noticed a good deal of confusion by both pedestrians and car drivers as to each individual's right, and at a busy period a large bank-up of vehicles over the intersection occurred.

Snapper Tags

The Director of Fisheries and Wildlife Department, Mr. A. Dunbavin Butcher, asks snapper fishermen to watch out for tags when they are gutting the snapper they have caught.

A large-scale snapper tagging project was carried out by the Department between 1958 and 1961; tags are still being recovered and returned to the Department. The tag is a small numbered plastic strip 1½ inches long by about ¼ inch wide placed in the body cavity of the fish. A reward is paid for its return and the information asked for on the tag, together with the fish if possible. The fish will be returned to the sender after it has been measured.

The purpose of tagging snapper is to establish the number of different groups existing around the Victorian coast. Evidence to date suggests that eastern and western groups do not mix and the dividing line appears to be around Wilson's Promontory. Fish tagged east of the Promontory have been caught as far north as Cape Byron in New South Wales, whilst those tagged west of the Promontory have been returned from eastern South Australia. Return of these tags provides evidence of movement, growth and survival rate and enables the Department's research officers to calculate the number of fish taken from the snapper population each year. Present calculations indicate that more than half the total population survives each year despite heavy fishing by both amateur and professional fishermen.

Mr. Butcher says that the Department is grateful for the co-operation already shown by the fishing public in this respect.

BRIQUETTE DUMP

MINISTER ASKED TO MEET COUNCIL

The Minister of Fuel and Power is to be asked to meet Altona City Council at the State Electricity Commission Briquette Depot to hear how he proposes to remedy the dust problem.

Council last Tuesday that the Minister should be given time to indicate what the remedy was going to be, but time was running out and he thought the matter required some activity on the part of the Council.

to take drastic measures." Cr. P. J. Lynch agreed that time was running out, but said so was the patience of many home owners living in the vicinity of the depot.

Cr. W. L. J. Crofts asked Cr. Grant if he would include in his motion that the Minister be asked to meet the Council at the site. He thought this was a rather more positive approach.

He moved that the Town Clerk write to the Minister asking what he was doing to remedy the situation, and requesting a reply by the end of the month. "I do not think the situation is going to improve, and we will have

Cr. Grant agreed and the motion was carried.

Gambling Found Twice In Cafe

Two men who had permitted gambling to take place in their cafe in Mason Street, Newport, appeared before Williamstown Court on Friday.

John Drakopoulos, of Ballarat Street, Yarraville, was fined \$50 for permitting the gambling on January 2 and he and Triantafilos Valsamakis, of Johnston Street, Newport, were each fined \$25 for permitting gambling on January 17.

Const. Ahearn said on January 2 he went to the cafe in Mason Street, Newport, and in a room at the rear found a number of men playing cards for money. Drakopoulos, who said he rented the cafe, admitted being in charge of the game.

On January 17 the constable returned to the cafe and again found men playing cards. The partners in the business, Drakopoulos and Valsamakis were both there.

Police In 80 m.p.h. Chase Through Altona

Chasing a car through Altona, a police car reached speeds of up to 80 m.p.h., Williamstown Court heard on Friday.

Dennis Shannon, of Maidstone St., Altona, denied driving while under the influence of drink. He was fined \$100 and disqualified from holding a licence for 12 months.

Sen. Const. Gillespie said he was driving a police car in Blyth St. when he saw a car go through the intersection at Pier St. at about 60 mph.

He followed the car along Pier St. and switched on the blue light on his car. The car turned into Civic Pde. without giving any indication and travelled along Civic Pde. on the wrong side of the road.

Two cars travelling in the opposite direction were forced into the gutter to avoid it. The speed of the police car was 80 mph, but he could not close the gap between the cars.

The car then turned into Millers Rd. and drove in the nearside lane. It then swung into the offside lane, but after about 30 yards went back to the nearside. It almost collided with the rear of a car in front but at the last minute swung to the right and avoided it.

Suddenly the car decreased speed and he was able to draw alongside it, but the car veered to the right and the police car had to slow down. He noticed the driver had what appeared to be a bottle up to his lips.

He switched on the siren of the police car, and then the other car turned into Noordenne Ave. and he was able to draw alongside and stop it.

He noticed that the driver, Shannon, smelt strongly of alcohol and there was an empty beer bottle on his lap. Shannon said he had only drunk about a dozen cans of beer all day.

He was taken to the police station where he denied having travelled at the speeds or in the manner alleged. A breath test showed a blood alcohol count of .185. Sen. Const. Gillespie said the written tests carried out by Shannon had been done quite well.

Shannon told the court that his car, a 1955 model, was not capable of reaching the speeds alleged. He said he had slowed down at the intersection of Blyth and Pier Sts. and had then travelled along Pier St. at about 30-35 mph.

He then turned into Civic Pde. after signalling his intention to turn. He said he had not seen a blue light on the car behind. As he was driving along Millers Rd. the car ran out of petrol and he just rolled in neutral to the intersection with Noordenne Ave.

As he was about to make the turn the police car drove up on his left hand side. He denied that it had been on the right or that he had diverged into its path.

MAN ATTACKED AND ROBBED

Mr. William Verlander, a plumber, of Queen Street, Altona, was attacked and robbed in Williamstown on February 7.

He was walking down Nelson Place when two men came behind him and followed him round into Ferguson Street.

They took him round the back of a service station and attacked and robbed him of \$65.

He suffered a fractured nose and bruising about the head and stomach.

He said he had had about nine small cans of beer to drink all day, but denied that there had been a bottle of beer in the car when he was stopped or that he had been drinking from it while driving.

PRISON FOR TWO CLUB THEFTS

Leslie Henry, of Newcastle Street, Newport, was sent to prison for 28 days by Williamstown Court on Friday after he had admitted breaking into two clubs in Williamstown and Newport.

He admitted stealing a bottle of beer from the Williamstown Bowling Club, and cash, spirits, cigarettes and tobacco worth \$20 from the Newport RSL Club.

Sen. Detective Floate told the court that he went to the Williamstown Bowling Club and after climbing through a broken window found Henry in the bar.

Henry said he had broken the window and gone into the club to get some money, but could not find any, so had drunk half a bottle of beer.

He admitted that earlier he had broken into the Newport RSL Club and had stolen 60c., bottles of brandy, whisky and rum and cigarettes and tobacco.

OBEDIENCE SCHOOL FOR DOGS

Victoria has eight dog clubs in the metropolitan area engaged in obedience training.

Grounds are situated at Altona, Footscray, Essendon, Coburg, Lalor, Heidelberg, Port Melbourne, Burnley, Box Hill, Croydon, Knox and Noble Park. Together with country clubs at North Geelong and Bendigo, a total of approximately 5000 dogs are trained each week-end.

All obedience trials are run under the sanction of the Kennel Control Council of Victoria, which issues certificates to qualified dogs. The highest title is Australian Obedience Trial Champion in which is included a number of tracking tests. These tests consist of handler and dog tracking known and unknown people over distances up to one mile at least 30 minutes after the track has been laid.

The Noble Park Club is holding an obedience dog competition at the Royal Melbourne Showgrounds, dog arena, on Wednesday, February 25, commencing at 7 p.m.

The competition will consist of six classes displaying different standards of obedience, a parade of champion show dogs, and a demonstration of the methods of basic obedience training adopted by all obedience clubs, nationwide.

Admission to this competition is free to spectators and commentaries will be given of the exercises in all classes. Light refreshments will also be available.

FAMILY'S WORLD TRIP

Mr. and Mrs. Paul Messina, of Douglas Parade, Williamstown, are now back home after a seven week round the world tour which took them and their two sons, Edward, aged 12, and Steven, aged 8, to America, England and Italy.

They visited Mr. Messina's birthplace in Italy, his uncle in New York and Mrs. Messina's uncle in England. Mrs. Messina is the elder daughter of Mr. and Mrs. C. Smillie, of Maidstone Street, Altona, and she spent her childhood in Altona.

On December 12 they left Sydney by Qantas and flew across the Pacific to the United States where they stayed for 10 days in New York with Mr. Messina's uncle. When they landed at New York airport, much to the delight of Edward and Steven, it was snowing, and on the day they left there was a snowstorm with seven inches of snow on the ground.

They were shown all the famous sights of New York, including a trip to the top of the Empire State Building; a visit to Broadway and crossing the Verrazano-Narrows Bridge, which connects Brooklyn and Staten Island. It is the longest suspension bridge in the world, being 7200 feet long.

After leaving America they flew to London and although they were only there for a short time they found time to visit Buckingham Palace, Big Ben, the Houses of Parliament and the River Thames.

From London they took the train to the cathedral city of Winchester. There they stayed with Mrs. Messina's uncle. They were all impressed with the old cathedral with its many wood carvings and sculptures, and at Winchester castle they saw King Arthur's round table.

The beautiful countryside around Winchester reminded them a little of home, of Daylesford and Macedon.

After leaving London they flew to Italy and on their way to Rome stopped at the buried city of Pompei.

Their next stop was at Rome and they all enjoyed this beautiful city with its ancient buildings and fountains. They stayed overnight at an hotel near the Opera House and were able to see the people of Rome going to and from the opera.

They were also impressed with the freeway on which they had driven to Rome. It stretched for many miles and went over and under mountains.

After leaving Rome they went to Pisa to see the Leaning Tower and then on to Venice.

On December 31 they returned to Rome to catch the train down through Italy and on their way to the

station in a taxi they saw the Colosseum, part of the Forum and many other ancient buildings.

They caught the train down to the bottom of Italy and crossed the Straights of Messina on the ferry, and in Sicily they stayed with Mr. Messina's sister in his home town of Vizzini.

In this town in the hills they were fascinated by the old buildings with modern interiors, narrow streets and houses built two or three storeys off the ground because of the hills.

Travelling back through Italy they spent a day in Florence and visited an unusual circus which had two arenas, one for ice skating and the other for the animals and acrobats. On the ice they saw the champion skaters from Hungary and France.

Next they re-visited the fascinating city of Venice and found that they could not drive their car in the city, but had to travel by boat on the canals. The shopping centre comprised of many little arcades, and the squares in the town were surrounded by shops. From their hotel window they could look down on the boats and gondolas on the canal.

On their way home the plane had to be diverted to Manila in the Philippines and they arrived, straight from the snows of Europe, to beautiful weather with a temperature of 72 deg.

They spent a week in Hong Kong before returning to Sydney on February 2 and the next day they were back home, with memories of a marvellous trip to look back on for many years.

Vacancies At Cadet Corps

Training Ship Voyager is one of seven units of the Australian Sea Cadet Corps in Victoria, and one of many scattered throughout the Commonwealth of Australia.

TS Voyager is located at the Naval Reserve Boat Shed in Nelson Place, Williamstown, one of the oldest buildings in this area.

This unit has been in existence for 12 years during which time it has won the Sea Cadet Colour four times. The Colour is the coveted ensign awarded to the best unit in the State every year.

The purpose of the Corps

is to train lads between the ages of 14 and 18 in seamanship and all manner of things associated with the sea.

When this unit was originally formed all officers and instructors were members of the Victoria Police Force with Naval or sea experience. Hence the reason why the unit is referred to as the Melbourne Police Unit, and as such it is the only known unit of its kind in the world with this distinction.

The unit comprises of about 40 boys and vacancies now exist for an additional 20, which will bring the strength of the unit to the permitted quota of 60 cadets.

The boys are taught to maintain boats, sail, seamanship and many other subjects. Weekend training is carried out and periodic camps are arranged. Every year the cadets compete for individual trophies and they also take part in important functions held throughout the year.

Anyone who is interested in joining can call at the unit any Friday evening or Saturday, or contact the Commanding Officer, Lieut. A. Willcocks at 762-1453, Sub. Lt. J. Dows at the Public Relations Office at the Police H.Q. in Melbourne, or Sub. Lt. L. Turner at Werribee Police, Werribee 42.

St. John Ambulance Brigade

The Altona Division of St. John Ambulance Brigade will conduct a first aid class on the new syllabus commencing on Thursday, March 12, at 8 p.m. in the Youth Hall, Civic Pde., Altona.

The new course runs for 16 weeks. There are eight theory sessions and eight practical sessions. An examination covering both theory and practice will be held at the conclusion of the course.

Those who intend doing this course are advised to contact Vic Joyce, 237 Civic Pde., Altona, 398-1817, or to attend at the Youth Hall on Thursdays at 8 p.m. The fee for the course is \$2. A new first aid book costs \$1 and a bandage is 25c.

The division has commenced activities for 1970.

Meetings are held each Thursday in the Youth Hall at 8 p.m. Anyone interested in this work is welcome to attend.

On Sunday, February 15, the Mobile Squad was alerted just after 2 p.m. to join in a search for a seven-year-old boy in the Essendon area. Six members, fully equipped for the task, were within half an hour on their way to the Essendon Police Station.

After briefing on the situation, the Altona Squad was sent to search along the banks of the Maribyrnong River. As this proved fruitless, they were then detailed to search in the showgrounds area, but just as they neared the gates were directed by radio to return to base. The missing child had been found in another area.

Record Intake For Nursing School

'THE FRIENDLY HOSPITAL' IS POPULAR

Nineteen trainees entered the Footscray and District Hospital School of Nursing on February 2, to commence general nurse training.

Eleven of these came from the Western Suburbs.

This situation is very gratifying to the Hospital's Matron—Miss Mavis Mitchell—as it reflects the good performance attained by past students entering the school.

Furthermore eight of the nurses came from the country and other suburbs.

Included in the February intake were four male nurses and trainees from the district are —

Gaye Constance Allsop, Sunshine; Rhonda Joy Chadwick, Braybrook; Anne Marie Congdon, Williamstown; Jeannette Norma Faulkner, Footscray; Patricia Mary Gosling, Spotswood; Lorraine Joy Hyde, Brooklyn; Christine Heather Moffit, Footscray; Barbara Ann Nichols, Maidstone; and Rose Schrembr, Altona North.

The good response for trainee nurses to the Footscray and District Hospital School of Nursing is important, as the hospital's new wards due to open soon will require an additional 40 or 50 nursing staff.

Matron will still welcome inquiries from any young ladies wishing to enter the nursing profession. Inquire direct to her office by phone, in person or write.

Big Attractions At Hospital Fete

—IT IS AN ALL DAY EVENT

The Footscray and District Hospital Annual Fete is always an event which attracts all ages and this year there will be that little extra to interest everyone. It will be held on Saturday, March 14.

The Hobsons Bay Obedience Dog Club will give two performances which shows how you can train your dog to be not only obedient, but useful.

If you join an Obedience Club you will learn all the tricks of good "Dogmanship"—it is then up to you to put it into practice.

Visitors to the Fete will have the opportunity of seeing what they could do with their dog. The demonstrations will be at 1.30 and 2.30 p.m.

The Hospital Auxiliaries will have numerous stalls selling almost anything from hot pies and tea to clothing. There will be a fruit and vegetable stall, lucky dip, spinning wheel, merry-go-round, Punch and Judy show, carnival train and not forgetting the guinea pig race.

At 2 p.m. a sit down afternoon tea will be available in the nurses' dining room.

The teenage frock competition and parade will take place at 3.30 p.m. and well known GTV9 personality, Rosemary Morgan, will compare this interesting event. Rosemary will also help the Mayoress, Mrs. E. R. P. Allan and fashion designer Gayle Timms to judge the contest.

Entry forms are available at Forges showroom and the dress material department.

Stalls will be open before midday and the events and entertainment take place from 1 p.m. onwards.

No objections were received to Altona City Council's proposal to use land adjacent to The Pines for a future garbage tip.

The Port Phillip authority has approved the project and the Lands Department has also given approval, but a Land Use Permit from the Board of Works is awaited.

On Tuesday last the Council adopted a recommendation that application be made to the Commission of Public Health, for permission to carry on a refuse disposal works on the land next to The Pines.

For two years Mr. Kennett has played for the Australian Ballroom Championships at Festival Hall.

The air conditioned Bacardi Room opens this Friday, February 20. There are two floors for dancing and table service will be provided from 8 till 11 p.m. The cost of \$1.50 includes supper.

TOTAL FIRE BAN POSITION OF DRAINERS CLARIFIED

Hon. A. W. Knight, MLC, raised in the Legislative Council the question of the operation of drainers on total fire ban days.

He received a satisfactory answer from the Chief Secretary —

"Dear Mr. Knight, "I refer again to my letter of December 8 concerning your remarks in the Legislative Council in regard to operations of drainers during Total Fire Ban days.

"I have now had an opportunity to discuss this matter further with the Country Fire Authority. As you state, where electrically charged explosives are used, no permit is required, but if a safety fuse is lit in the open air on a day of Total Fire Ban, this would constitute a breach of Section 40 of the Country Fire Authority Act unless a permit has been obtained from the Chief Officer to cover the operations in question.

"Such permits are obtainable on application to the Chief Officer in the usual manner."

TWO MORE BUS SHELTERS

The Board will provide a subsidy of \$275 for each shelter, with the erection being staggered over a period of years.

NEWS FROM A.W.M.C.

The Altona Working Men's Club annual picnic will be held at Little River sports ground on Sunday, March 8. Races will start at 11 a.m. Events will include a tug-o-war with teams of 8 men and bowls versus darts.

Run in heats of the A.W.M.C. Gift will commence at 1.45 p.m. Members intending going to the picnic are asked to place their name on the list on reception table in the club hall.

A discussion and film evening for the lawn bowlers will be held on Tuesday, February 24, at 8 p.m. with guest speaker Mr. A. H. Corral from the Royal Victorian Bowling Association's coaching panel.

Bowlers from Altona, Werribee, Newport, Williamstown and Footscray City Bowling Clubs have been invited for this evening and arrangements are being made to cater specially for the newcomers to outdoor bowling.

Films will be projected by Mr. Max Hale, Victorian Manager of Henselite Bowls.

Supper will be provided by the club. Bowls section members are requested to record their names on the notice board to facilitate catering arrangements.

Four teams from the Newport Club visited the A.W.M.C. last Saturday. It took the visitors some time and many ends to become acquainted with the "different" conditions of a "new green" right on the beach front. Nevertheless they put up a good performance and all thoroughly enjoyed the afternoon of bowls.

The trophies for the best visiting team went to V. Coulson, L. Hall, T. Parkinson and team skipper W. Snow. Winning team for the day, skippered by Bob Yates, included Bill Dutton, Bernie Jackson and Vic Butler.

Newport bowlers will again visit the club some time in March, as part of the general plan to prepare club bowlers for pennant bowling when the 1970-71 season commences in September.

SOMETHING SPECIAL FOR A.W.M.C. ASSOCIATES

For the A.W.M.C. Associates monthly meeting on Monday, February 23, at 7.45 p.m. Mr. R. Davey will give a Glasscraft demonstration including glass blowing, which is an art that is fast dying out. The objects created by Mr. Davey will be "Dutch auctioned".

This particular demonstration will no doubt appeal to all sections of the club and, therefore, male members are invited to come along to the meeting at about 8.15 p.m.

Tickets for the Associates barbecue on Saturday, February 28, are selling very quickly — members should make sure of obtaining tickets before Wednesday, February 25. This is to be a Hill Billy night and prizes will be presented for the best dressed Hill Billy male, lady and couple.

There will be dancing compered by John Massey, entertainment by the Mountain Maids, and on sale will be steaks, hamburgers and sausages barbecued to individual tastes.

Port Fairy Reunion

Port Fairy is holding a reunion in the Fitzroy Gardens on March 1 at 2 p.m. Those attending are asked to take along a basket.

BURSARIES AWARDED BY STATE BANK

The State Savings Bank of Victoria has granted bursaries to 148 secondary school students for a total of \$12,000.

The bursaries, worth \$90 each, have been awarded to selected students who have passed in at least six approved subjects at Form IV level or four approved subjects at Form V level.

The awards were announced by the Chairman of the Board of Trustees, Mr. W. L. Moss, a Commissioner of the Bank. Other members of the Board are Mr. F. H. Brooks, the Director of Education, and Professor A. G. Austin from the Faculty of Education at Melbourne University.

\$180,000 AWARDED

Mr. Moss said 1600 bursaries totalling almost \$180,000 had been granted since the Trust was formed, and the Bank had been amply rewarded by the success of many bursars in later life.

The bursaries provided an incentive for students who might be unable to continue their studies through lack of finance, and he was pleased to report that 27 former holders of State Savings Bank bursaries had been admitted to universities this year.

Mr. Moss emphasized the close link between the Bank and the Victorian school children, many of whom had been first introduced to saving through the Bank's long established school-banking system.

In addition to the bursaries for school children, the Bank assisted student teachers at both state and private training colleges by the provision of annual grants for either equipment or bursaries.

Footscray Photographic Society

The Footscray Photographic Society held its annual meeting on Thursday, February 12 and there was an excellent attendance which augers well for the activities for the year ahead.

Office bearers for 1970 are: President, L. Storie; Vice President, L. Nelson; Secretary-Treasurer, B. Twomey; Assistant Secretary, Mrs. M. Canning; Committee Members, K. Voller and N. Canning.

On February 19 a beginners competition will be held. This is open to all who have not won a competition and there will be sections for black and white, colour and a new special section for black and white slides.

Also at this meeting will be screened a one hour movie with sound, made by member Bob Cook. Those who saw the movie of Antarctica shown to the club last year by Bob will not want to miss this film which was taken at Macquarie Island.

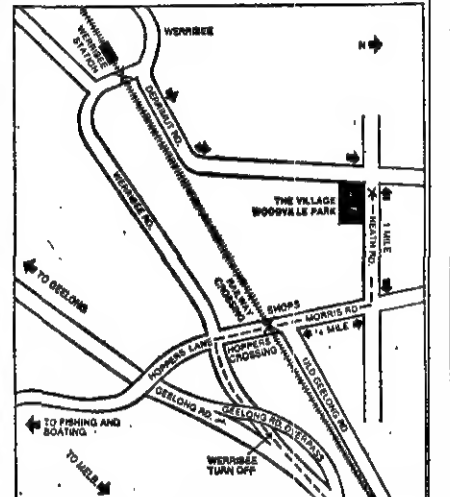

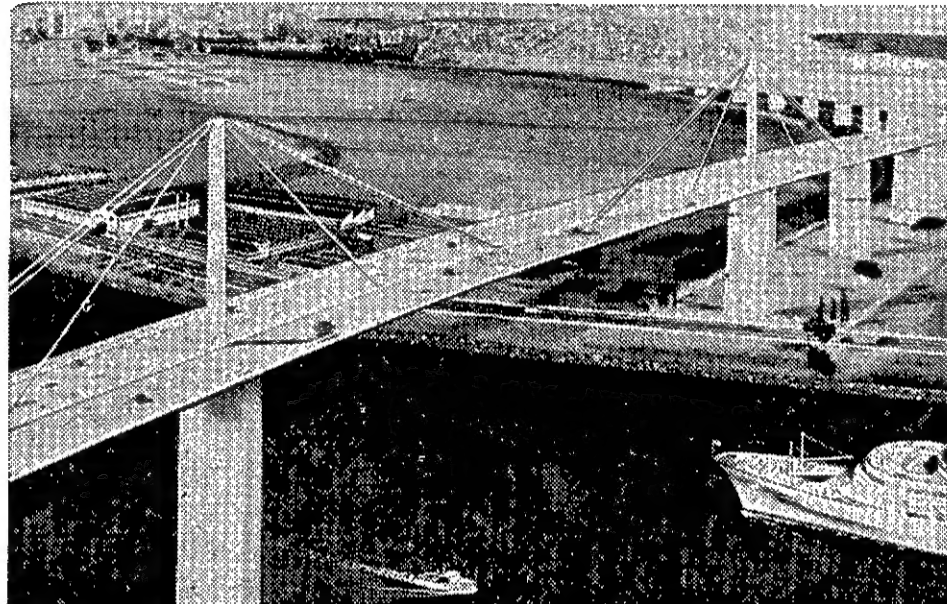

The Society will be visited by Mr. Karl Hartman on February 28. Mr. Hartman will display a number of his international prize winning prints and explain his method to the members. The entries for the first competition "OPEN", are now due. Closing date is March 5.

LECTURE ON INDUSTRIAL SAFETY

The first lecture in the Industrial Safety Series for 1970 was given by Dr. E. Finkelstein, Ophthalmologist, at the Trade Union Clinic on Tuesday, February 10.

Members are saddened by the death of Honorary member, Mr. A. Walker, of Sth. Kingsville, who made available the clubrooms.

Dr. Finkelstein described first aid treatment to be given immediately a person had suffered an injury to the eye.

Heat burns were mainly caused by glass, molten iron, solder and lead, there were also burns from radiation and flash burns.

Infra red heat rays can cause cataract Dr. Finkelstein said. Cataract was a Greek word meaning "water fall".

He said that modern production techniques were producing new challenges for the protection of human eyes.

Dr. Finkelstein said there was really no such thing as "eye strain". What happens is that the eye gets out of focus.

He emphasised the need for wearing protective glasses in many factory operations to keep flying metal out of the eyes. Foreign bodies were often very hard to find.

The audience comprised of safety officers, industrial nurses and first aid officers. They asked Dr. Finkelstein many questions. Slides and diagrams were used to explain the anatomy of the eye.

The best three rounds are being played at Sunshine, St. Albans, Green Gully Ajax and Ardeer grounds with the top team from each Section playing off the semi-final and final at Kims Reserve, Altona.

Kims Reserve is undergoing a face lift. The grounds are being moved away from the road to make way for the new clubrooms. This structure is already taking shape and when completed will certainly attract more supporters to join what is already one of the most progressive clubs in Victoria.

Mr. H. Potler, the new Secretary of the club, is very active. Players from State League clubs are being negotiated for.

Top clubs are generous to Altona they realise how hard this young club has worked for soccer.

Sunshine City A and Altona City A had good wins on Sunday. A feature was Altona's Billy Savage 4 goals "Whitey" as he is popularly known has been a prolific scorer since he joined the "Maroons" and with the right support will net many more.

Hans Delamaun is back in training and the young wing half could become a regular first team player.

Harry Sutherland and John Innes, Altona coaches, have had the team training since the first week in January and its a very fit bunch of lads that will do battle for Altona in the first division.

Senior training has commenced. All prospective players are invited to attend at the Hockey pavilion at the rear of the Council Depot, Civic Parade, on Thursday nights at 5 p.m.

many who sailed in the

tasted the waters of the bay
— in the form of large
mouthfuls.The results of this race
were as follows:HORNETS. — 1, "Laphil,"

"Trident" the only Lark
class yacht to sail in the
club came second when
matched against the slightly
larger GP 14 class. This was
the first time that the Lark
has sailed competitively
within the club.Also, mention should be
made of the inroads into the
placings of the Heron fleet
by the yacht "Badaho," sailed
by Howard and Dorothy
Bertram. Although they are
relatively inexperienced they
were able to hold their own
and even out-match most of
the Heron fleet until they
bottled gybing around a buoy
in the heavy seas near the
Altona reef. They were run-
ning about fifth at the time.The Heron fleet, it seems,
may soon lose a young skip-
per in the person of Steve
Bulmer who is showing a
marked interest in the Hornet
class.The Ladies Auxiliary of the
club wishes to announce an-
other of their very successful
Ladies' Nights to be held at

ciation Premierships for seniors and juniors in

behind Williamstown.The permitted number of
events prevented Brian
Davidson competing in the
pole vault and with no other
competitor available the lead
was reduced to 1 point.Wes Balodis threw the

Melb. 7 points further back.The strong 3 mile pair
fielded by Box Hill ran first
and second beating Fred
Howe and Barry Wheat into
third and fourth placings and
reducing the lead to 11
points.Fine running by Terry
Phelan, John Handley and
Ian Jackson in the 880 yards
increased the gap to Box
Hill to 22 points. YMCA were
26 points away third.The last event of the day
was the 4 x 220 yds. relay
which was taken out by the
sprint favorites Mentone with
the Seagulls clocking a per-
sonal best season time of 1

MANY NEW RECORDS MADE AT ALTONA CENTRE CHAMPIONSHIPS

His Worship The Mayor, Cr. Pat Burns, accompanied by Crs. Ray Richards and Les Crofts presented gold, silver and bronze medallions to successful competitors on the final day of the Altona L.A.A. Championships on Saturday last.

Ch. Les Crofts is pictured above presenting gold, silver and bronze medallions to the placegetters in the Girls' Under 11 Triple Jump at Grant Reserve last Saturday. The girls are (from the left): Tamara Baum (Altona North) 2nd, Jenny O'Connor (Westona) 1st, and Anne Teale (Altona North) 3rd.

The president of the Altona Centre, Mr. George Nevitt, welcomed the Mayor, Councillors and Mr. Charles Jefferson, representing the Victorian Egg Board.

On behalf of the Board Mr. Jefferson presented the Altona Centre with a magnificent Perpetual Trophy which will be contested by all clubs annually.

The Victorian Egg Board are principal sponsors of the Little Athletic movement throughout Victoria.

Highlight of the championships was the fact that records were made for many events and the times and distances recorded by most competitors reflected personal bests.

The conduct of the championships was greatly facilitated by a new public address system recently purchased by the Executive.

Competitors successful in these championships will now be selected to contest the Victorian Regional Championships at Royal Park West on March 9 as representatives of the Altona L.A.A. Centre.

Training for the Regional Victorian Championships will be conducted by Mr. Mark Schnyder at Grant Reserve each Monday, Wednesday and Thursday evening at 5 p.m. and on Sunday at 10 a.m.

Results of final day of Centre Championship as follows: (A - Altona, AN - Altona North, SM - St. Mary's, SE - Seaholme, W - Westona).

WILLIAMSTOWN CENTRE CONTESTS ELIMINATION HEATS

Elimination heats for the Centre Championships continue during the month of February. Parents and other interested adults are asked to see Mr. Van den Oever at the oval before 9 a.m. on Saturday if prepared to assist with officiating during Saturday morning.

The discus event for girls under 9 and the triple events for boys were cancelled last Saturday because of lack of officials.

This is disappointing for the children and the lack of parental interest and support is frustrating, especially as these children are keen and doing so well.

Thanks of the Executive is extended to all willing helpers who maintain the Saturday competition at a high level.

Chief officials are asked to note that there will be a meeting at Royal Park next Sunday morning at 10.30 a.m. to make arrangements for the Victorian Regional Championships at Royal Park on Monday, March 9.

North State and Williamstown Youth Club will be duty clubs next Saturday.

Tickets for the Theatre Party at Williamstown Little Theatre are available from Mr. Rod Silk at the oval next Saturday.

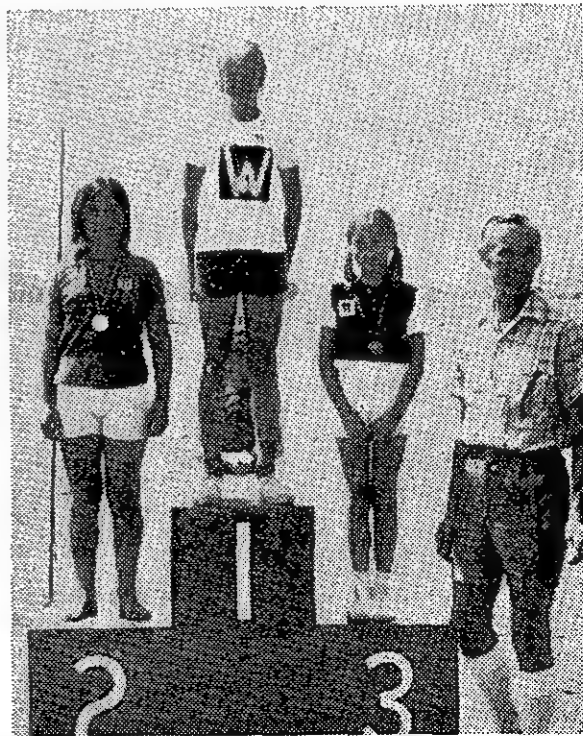

The production is "Black Comedy" and "White Liars", and the night, Thursday, February 26. Admission: Adults

shire, D. Schoales, J. Gervan (W).

TOWN DEFEATED ON FIRST INNINGS — FIRST LOSS IN NINE GAMES

In sustaining its first loss in nine games and its heaviest for the season, Williamstown First XI had its hold on top place loosened by fourth team Ringwood. However, the defeat of fifth team Preston by lowly Camberwell has enabled the Seagulls to retain its strong grip in the four.

Town will play both Preston and Camberwell in the final two rounds and victory in either should be sufficient to ensure a finals berth.

Town plays its last home game for the season against Camberwell this week and on the Labour Day week-end journeys out to Preston.

First-gamer Kevin Tweedly was the only player to reach double figures.

At stumps Ringwood was 1 for 18 with Ray Salter the successful bowler.

Continuing its innings on the following Saturday (February 14) Ringwood found Town's attack difficult to master and at tea with the score at 5 for 95 a win for Town seemed likely.

However, Ringwood was steered to the lead when its sixth wicket pair, Bill Shaw, 34, and Don Mathieson, 73, who came together at 5 for 79 added a further 67 to the total.

Freed from the worry of the match result Ringwood's lower order bats helped their skipper Mathieson to inflict the highest score against the Seagulls for the current season.

In the time remaining Town batted and lost 1 for 15.

WILLIAMSTOWN THIRD XI

Williamstown took first innings points against Preston and were unlucky not to collect 10 points.

Resuming at 9-90 Preston needed 14 runs for victory, but their hopes were dashed when "Spike" Harris took a well-judged catch at slip from the first ball of the day.

In their second innings Williamstown batted brightly early to be 4-127 at one stage after 125 minutes batting but slumped later to be all out for 139. Ken Stewart, 38, Jeff Spicer, 33, Brian Park, 32, and "Spike" Harris, 23, all batted soundly.

Preston needed 153 runs in 111 minutes for outright points but tight bowling from John Harrison, 4-27, well supported by "Spike" Harris, 4-59, and with good fielding, had them 9 for 100 at stumps.

WESTONA MAKE FOUR

With a surprise win at the expense of the Combined Churches side, Westona went onto a clear win ahead of two other teams to take fourth place.

Westona, with a far better percentage than Seaholme, would still have got in even if they had lost the unplayed game against Seaholme.

FIRST INNINGS WIN TO ALTONA

After defeating MHSOB on the first innings Altona are now on top of the ladder and with one more match to go (against Seddon) they should be able to stay there.

MHSOB resumed at 2.36 chasing Altona's first innings score of 166. The conditions were the same as last week — perfect for batting.

Terry Grey and Bob Dare opened the bowling against captain McKenzie and night watchman Firth and surprisingly Firth got off some good straight drives and looked to be in no trouble.

In Grey's fourth over he got the valuable wicket of McKenzie when he bowled him with a ball that gathered some pace off the wicket and got past McKenzie's bat as he tried to play a scoring shot to the leg side.

The Altona fielding remained tight and with John Cooney up on the stumps to Grey a good stumping was effected to get rid of Firth.

Soon after Dave Naughton relieved Bob Dare and in his first over dismissed Bennet with a caught and bowled.

There was no resistance by the MHSOB batsmen after this dismissal as Terry Grey, still bowling particularly well obtained a wicket in each of his last four overs to finish the innings with 5 for 36.

Brian Garde and Jack Deller started Altona's second innings and were in no real trouble. Garde, unfortunately, was struck on the pad down the wicket a stride and was out lbw for 7.

Jim Page joined Deller and together they put on 85 runs and up until 4.50 p.m., when Altona declared they both appeared set for a century each.

Ken Duff opened the bowling for Altona in the second innings and had the batsmen and wicketkeeper in all sorts of trouble with late swing and pace off the wicket, "anyhow that's how Ken tells it. Nevertheless, he was unable to capture a wicket but after six overs his figures were pretty good at 0-21. One over cost him 10 runs.

Jim Page bowled at the other end and on a batsman's wicket bowled exceptionally well. Young Tony Paone bowled one over and took a wicket when Terry Grey picked up a low catch close in on the leg side.

At the end of play MHSOB were 5-41 giving Altona a first innings win.

Altona, after batting first, had a compulsory closure in the first innings of 6-186.

MHSOB started their innings on a very good batting wicket. After one hour they were 2 for 38 and struggling for runs.

Joslin and Stubbs, with a lot of luck and some good batting, then got on top of Altona's bowling and added 75 runs for the third wicket when the score was 140.

Frank Thomas was brought into the attack and had immediate success with his well flighted off-spinners.

It was pleasing to see some of our younger players like Geoff Bebed and Peter Mildenhall fielding so well and keeping up their keenness all day.

C GRADE

Players of both teams were shocked last week-end when upon their arrival at Albert Park they found the wicket and surrounds under water, the hoses having been turned on during Friday night.

No play was possible and Altona have claimed outright points on default thus keeping their chances of making the final four alive, although results of other games over the week-end make the task rather difficult.

At the moment Altona are in fifth place, six points behind Spotswood who must get defeated this game and Altona win for Altona to enter the four.

ALTONA CLUB XI

Taking the field for the second day's play, Altona fielded and bowled excellently to dismiss the opposition by tea and taking a first innings lead of 51 runs.

Club XI resumed batting and gave the younger members of the team a hit with Glen Knight and Mike Howard batting for 45 minutes against the fast bowlers.

A sub was required for the last 30 minutes and N. Healy took a very good catch to close the innings.

A.C.B. CRICKET CLUB

A.C.B., showing their best form for the season were unlucky not to take first innings points against Maribyrnong as the only catch that they dropped would have given them a win by 3 runs.

Instead they trailed by 5 runs on the first innings.

A.C.B. in their second innings declared with their best score of the season — 5 for 116.

This left Maribyrnong wanting 111 runs in 65 minutes to win outright and at stumps were 2 for 77.

The performance by A.C.B. in this match was very good

Newport Cricket Club

FIRST XI

Newport commenced their first innings in reply to Latrobe University's solid total of 202.

The early loss of R. Nicholson did not deter Ray Bamford, 33, and John Stewart, 30, as they featured in a bright 54 run partnership against the pace men.

However, with the advent of two spinners at the bowling crease the locals were completely tied up. Newport's batsmen — D. Humphries 15, Kev McKusker 37, J. Jarrad 13 and J. Fowler 12 — got into double figures but failed to go on with the job.

Newport were all out for 156 giving the students a comfortable first innings victory.

Latrobe were 2 for 50 in their second innings with R. Colvin 1 for 3 the successful bowler.

SECOND XI

Resuming at 5 for 75 in reply to Newport's modest 121 the students were finally dismissed for 159.

Successful bowlers for Newport were G. Clark 2-35, K. Parker 2-30, L. Swanson 2-22, J. Thompson 1-28, P. Humphries 1-21 and promising youngster Rick Carrington 2-9.

Newport then turned in a real shocker in their second innings as they offered only token resistance to be bundled out for a miserable 62 runs.

Latrobe had no trouble in getting the 24 runs needed for outright victory and R. Carrington was again successful with 1 for 15.

CLUB XI

Resuming at 2 for 52 in reply to Newport's first innings of 204, Williamstown Colts were all out for 140.

Arch Lloyd, 4-55, A. Mouser, 1-24, and Alan Redshaw, 4-48, got among the wickets with some good bowling.

Newport then batted out time to be 7 for 148 at stumps as Warren Dimond 29, G. Walsh 43 n.o. and Alan Redshaw continued to show excellent form as he made a well-compiled 56 runs.

LETTER TO THE EDITOR

WHAT'S IN A NAME

Sir,

When you come to consider the great variety of attractive names and the even greater number of ugly meaningless ones, it is difficult to understand why the people concerned continue to retain unappealing and sometimes embarrassing nomenclatures.

It is undoubtedly a fact that ugly names have a distinct disadvantage socially and in the business world, as I know of many instances where applicants for business appointments, letting of flats and other approaches have been overlooked on account of difficult and ugly names.

Western Suburbs have a large percentage of overseas migrants, constituting a very necessary and essential work force, whilst introducing a very desirable infusion, in many instances, of initiative, colouring and physical attributes, which will enhance the Australian image, in many ways, eventually, appropriate to our sunny climate.

as Maribyrnong A Turf side is in the four and they dropped players to their B Turf side so that they could get some batting practice.
